Riding a bicycle is a healthy, environmental and fun way to travel. Unfortunately cycling is not without risks. At The Cycling Lawyer we are committed to the wellbeing of cyclists. When accidents occur we fight for our clients to ensure that their legal rights are protected. If you ride, we are on your team.

POST ACCIDENT CHECKLIST

- If you are physically able to do so, move out of the travelled roadway to a place of safety.
- Take a moment to calm yourself and check for injuries.
- Call the police and ask for assistance.
- Document the accident. Record the motorist's drivers licence, contact information, licence plate number and insurance information.
- Collect the names of witnesses or bystanders and photograph the accident scene.
- Report to a qualified physician for a physical examination.
- Bring your bicycle to a qualified mechanic for a safety inspection.
- Contact a lawyer experienced in bike-car accident claims.

FOR EASY ACCESS TRIM DOWN AND KEEP THIS CHECKLIST WITH YOU,
OR TAKE A PHOTO WITH YOUR PHONE AND MARK IT A FAVOURITE.
